**DEBEER**  
REFINISH

Boost your productivity with our new 8-945 Super Surfacer DTM. This innovative air-dry product eliminates the need for an etching primer, saving you time, materials and energy costs. Do more with less – increase your throughput today!

## BENEFITS TO YOUR BODYSHOP:

### FAST APPLICATION

Fast process with minimal flash-off time of 0-1 minute between coats. Dry to sand in 30-60 minutes depending on conditions.

### PRODUCTION SURGE

Saves total application time of 25-30 minutes by eliminating the etching process. Enjoy faster throughput and complete more jobs in less time.

### COST EFFICIENCY

Reduce your labour, cleaning, and materials costs, improving body shop efficiency.

### ENERGY SAVINGS

Cut your energy costs and carbon footprint with air-drying.
